

The **Astronomy Club of Asheville** invites you to join this **Cisco Webex** virtual meeting presentation.

Exploring Carbon Chemistry Around Massive Young Stars

– presented by: **Rachel Smith, PhD**, Associate Professor, Department of Physics & Astronomy, Appalachian State University

Thursday, February 3, 2022, at 7:00 p.m. ET

It is recommended that you join-in about 15 minutes before the start of the presentation to work out any potential sign-in issues. To merely view and listen to the presentation, you will not need an activated video camera or microphone.

Before clicking/tapping on the “**Join Meeting**” button link below, you will find it helpful to write down the meeting number and password, shown just above the link.

If prompted, download the Webex app, and ignore any error messages (hit “done”). If and when requested, enter the meeting number and password shown below.
